### COLONEL WALTER HUDNALL'S REPORT.

Summary of What He Will Submit to the Treasury Department of Conditions at Galveston.

ed report, left tonight on the tug Eugene, going via Morgan Point.

Colonel Hudnall has speat several days the stricken city. He came prepared at the worst, but when he saw what study had occurred, he threw up his hade in amazement. No man, in his of life and property from the rawhich have been sent out, and the map of buman reason. He, has made a rass of the city mounted; he has viaed every place which a man could on or exist. He knew Galveston as she was before being struck by the storm. and he knows her as she is today. In his ery loss in the city, and that it is his spinion that any one attempting to make

ters will be rebuilt and will be a pros-brag day. There is no doubt that the Weekly owners expect to go to work re-

The Galveston, Houston and Henderson railway has leased the steamer Lawrence. The boat plies between Texas City and Galveston. General Passenger Agent Mc-Clure is in charge of the passenger business at this end of the line, and T. P. Griffin, Houston, handles the traffic after it leaves Texas City. The fare between Gal veston and Texas City is 75 cents and between Texas City and Houston is \$1.20 total of the locals being \$2. This charge is made to those who can afford to pay it. No worthy person, who has lost by the storm, is charged one cent. In fact, everperson applying for a ticket, and stating that he or she is unable to pay the pas-It is only in cames where a person is able pay the fare that a charge is made, and those was have money are making ho protest against it. There is a guard of soldiers accompanying each boat; there is

# Take **Doctor's Medicine**

Dr. Williams' Pink Pills for Pale People are the tonic to take at this time of year to send new blood tingling through the body and to restore strength to the weakened system.

They are made from the formula of a regular physician and their remarkable power as a Blood and Nerve medicine was first proved in private practice. Since they have been given to the public, thousands have testified to their wonderful merits-and they have been approved and prescribed by leaders of the medical profession.
